

Title: Adrift Hospitality Chef

Location: Pickled Fish Restaurant, Shelburne Pub, and The Knot Bar

Department: Back of House

Reporting Relationship: CEO > COO > Executive Chef > Rotating Chef

Supervisory Relationship: Rotating Chef > Shift Leads > Hourly Staff

Elevator Pitch

This role is perfect for someone looking for variety and fast paced kitchens as they will be rotating between all of our properties as needed based on staffing and management's needs. This role will often act as the shift lead when the chef de cuisine or sous chef's are not working. During this time they will lead the team with direction and support from the rest of the management team.

We are a company that uses local ingredients to create interesting and fun menus unique to each property. We are located on the Pacific Northwest Coast (Long Beach, WA and Astoria, OR). Travelers come to enjoy our ocean and river views and live music in our restaurant that are attached to our hotels. This role works under the Chef management team and oversees the daily functions of the restaurant to ensure that all guests and employees are taken care of.

Duties & Responsibilities

- Work on the line and manage the BOH team as needed
- Resourcefully solve any issues that arise and seize control of any problematic situation
- Comply with and enforce sanitation regulations and safety standards
- Ensure the Executive Chef's vision is being executed properly at all times
- Monitor and maintain appropriate levels of staffing on a daily basis
- Assist as training needs arise
- Delegate daily responsibilities to the team
- Monitor quality control of food that leaves the line
- Monitor and make recommendations on organization and efficiency of line
- Maintain a clean and organized kitchen
- Attend and contribute to staff and management meetings as needed

Qualifications

- WA food handlers card

- 2+ years restaurant experience in the back of house
- Great communication and leadership skills
- 1+ years leadership experience preferred
- Able to work ten hour-plus shifts, with extensive standing/walking.
- Ability to lift materials and/or product up to 50 pounds or more.
- Reliable transportation as this role will need to travel between 3 locations located within a half hour driving distance.
